

**Team name:** \_\_\_\_\_

**Visualization [ \_\_\_\_\_/20 points]:**

- Did they include compelling visualization(s) of the data that were technically challenging or had a “wow” factor?
- Were their visualizations clear and/or intuitive?
- Did the visualizations help you better understand the data or the team’s insights?

**Notes about Viz:**

**Creativity [ \_\_\_\_\_/20 points]:**

- Did they take a clever approach that wasn’t immediately obvious?
- Did they do something unique or smart to get around a problem they had?
- Was the presentation on an area of the data that was unexpected?

**Notes about Creativity:**

**Insight [ \_\_\_\_\_/30 points]:**

- Did you genuinely learn something new or unexpected from this presentation?
- Did the presentation go beyond summary statistics to identify something new?
- Will you come away from DataFest remembering this presentation?

**Notes about Insight:**

**Communication/Presentation [ \_\_\_\_\_/30 points]:**

- How were the communication/public speaking skills of the team?
- Is the information clearly focused in an organized and thoughtful manner?
- Did their presentation capture the audience’s attention?
- Was the presentation free of typos or other errors?

**Notes:**
